It was a fun weekend for sure. I'm looking forward to next year. When word gets around about how fun it was, everyone sees the pics and vids coming out of Moab, I bet we break 100 riders next year! ~Ed Hansen~

I don't want to rub this in to anyone who couldn't make it, but... Everyone who can, do anything you can to make it next year to Moab! It was amazing. There was plenty of riding for all skill levels, so many MUni enthusiasts, and a plethora of photo ops... It was worth it. ~Paco Hadley~

I have some bad news for those of you who didn't make it to Moab last weekend: this had to be the premiere MUNI event in the world for 2003. It was incredible! What a place. 3000 cheers for Rolf Thompson and all the other volunteers who put this together. Your hard work really paid off with a great festival... If you didn't come - take any chance you get to ride these trails and visit Moab! See you next year, ~Nathan Hoover~

I was the downhill race timer/judge and it was a blast! It was all pretty low key and so much fun! ~Steve Howard~
